## Cecon Garantieleistungen

Als autorisierter Lenovo-Garantiepartner sind wir in der Lage, jede anfallende Garantiereparatur<sup>1</sup> eines defekten Notebooks, PC-Systems oder Servers bei uns im Haus oder auch bei Ihnen vor Ort<sup>2</sup> vorzunehmen. Auch außerhalb der Garantie sind wir für Sie da.

Die Vorteile sind:

- Schnellere Abarbeitungszeit, im Durchschnitt 5 Tage ab Reparatüreingang
- Persönlicher Kontakt zum Techniker
- Kein Risiko durch Beschädigungen beim Transport
- Mitnahme des Gerätes nach Aufnahme des Schadens möglich. Bei nur gering einschränkenden Problemen kann mit dem Gerät weitergearbeitet werden, bis die Ersatzteile eingetroffen sind. Danach muss das Gerät im Normalfall nur einen Werktag in der Werkstatt verbleiben um die Teile zu tauschen.

<sup>1</sup> Ausgenommen Consumer Geräte wie z.B. IdeaPad oder IdeaCentre

<sup>2</sup> Setzt eine abgeschlossene Vor-Ort-Garantieerweiterung voraus. Wenn diese nicht vorhanden ist kann ein Vor-Ort-Service gegen Aufpreis vereinbart werden
